Sir,

Sub - Improvement to Kumbara Koppal Village.

***

The above village, situated at the North western end of the City beyond the Sanitorium buildings, was one of the places inspected by the Chief Minister on 20-7-1954. The minutes of inspection are reproduced below.

"After inspecting Kumbara Koppal Village the Chief Minister was pleased to observe that as this was one of the very bad vaillages in the viccinity of Mysore City, a comprehensive Scheme of improvement might be drawn up and that a suitable provision might be made in the budget for having given as a grant from Government The possibility of taking up the works under Local Development Works may be examined "

Accordingly an estimate was prepared for Rs 1,55,000/- for improvement of the Village, providing for formation of straight roads with drains and roads crossing after acquiring portions of some houses and lands and for a proper approach to the village from Krishnaraja Sagar Road with a bridge over a big halla, running near the village and providing also for a School building with play ground and a park.

The surface of the roads in the interior was very bad when the village was inspected by the Chief Minister The houses were very reneventlly built in a zig zag manner. No drainage arrangements had been made

In accordance with the instruction of the Chief Minister contained in the last sentence of the minutes, a scheme for Rs.20,000/- for effecting immediate improvements to the Village under the Local Development scheme was sent up to Government and this was sanctioned in G O No L B 9631 37 L B 26 57 78 dated 9 12 57 works relating to the above are under speedy progress and nearing completion But the work under this ~~samll~~ small scheme is limited to one main road in the village with an approch from the K R.Sagar Road, and unless the comprehensive scheme of improvement is undertaken and executed, substantial relief to the people in the village cannot be given.

The council have therefore approved of the proposal to ~~past~~ prosh through the other improvements contemplated in the Scheme prepared for Rs 1,55,000/- now reduceable to Rs.1,35,000/- (in view of works to the extent of Rs.20,000/- having already been under execution) if the government be pleased to sanction atleast half the cost as a grant.

I enclose a copy of the resolution passed at the meeting held on 31st January 1955 to this effect and request that orders of government may kindly be obtained sanctioning the scheme and also half the cost thereof as a grant during 1955-56

Yours faithfully,

Municipal Commissioner.

Subject Improvement to the Kumbarakoppal village · Mysore City Municipality

Ref Your letter No L 1516/CM 18-54-20 dated 10-5-1955

The proposal in question is not one contemplated to be taken up under the Local Development Scheme For this very reason, the work executed under the Local Development Scheme has been taken out of the scheme and the resultant proposal is only for Rs 1,35,000/- for improving the village in the real sense of the term and for giving any substantial relief to the villagers It has been made clear in my previous letter that the request of the Council is for a half the grant of the Scheme and the same was sent up in pursuance of the notes of inspection of the Chief Minister on 20-7-1954 Further, the Chief Minister more than once told the President that the Government would be prepared to give a grant of Rs 50,000/- if suitable proposals are sent u

In these circumstances, I request you kindly to have the matter re-considered by Government and obtain their orders for half the grant and also for sanctioning the estimate
